

CBD Living Water

CBD Living Water is made with 100% organic and natural hemp CBD extracts using cutting-edge nanotechnology to infuse natural CBD extract in approximately 9+pH water. Stay hydrated and get your daily CBD all in one!

CBD Living Water is great for people on the go. It offers a convenient, hydrating way to get your daily CBD with guess-free dosing.

Each 500 ml bottle of water contains 10 million nanograms of CBD and is highly bioavailable and absorbable.

Take a bottle of CBD Living Water with you to the gym or your favorite yoga class and experience the pain and inflammation reducing properties of CBD.

Ingredients:

- Proprietary Nano Hemp Extract (aerial parts) 10 MG (Cannabidiol / CBD)
