

PAX 3 is the world's best aromatherapy device!
Compatible with both loose leaf and concentrate materials. Intelligent dynamic heating enhances flavor and preserves material. The powerful battery delivers fast heat-up, and haptic feedback communicates device readiness throughout sessions. Customizable experience with the PAX App. This device has a sleek streamlined look with a one-button interface, it requires minimal maintenance, and

has a magnetic USB charging dock. Backed by a 10-Year warranty, the PAX 3 has a high-polished anodized aluminum shell and is built-to-last with the highest grade parts in the industry. The same size as the PAX 2 but now with a larger battery capacity (3500mAh), and a charge time of only 60 minutes. Let the PAX 3 elevate you to the next level.
